

Archer Community Center

Contribution Form

The Grand Opening of the Archer Community Center was held on August 2, 2011. The center is ready to serve the citizens and all of our friends in and around Alachua County.

The City of Archer and the development committee restored the old Archer High School Gymnasium built circa 1936/1937. Funding came by way of grants, sales tax, cash and in-kind contributions. The multi-purpose center will be a place to gather for special events, youth activities and programs for the elderly.

The Archer Community Center is equipped with an office, sound system, open space with dance floor, concession/kitchen area with a two door commercial refrigerator, air condition/heat, stage, closet space and full bathrooms. Space is also available on the outside of the building.

After reviewing the cost to maintain the building we are seeking funds to support special programs for our youth, seniors and all citizens of Archer.
